To
Sun Pharma Science Foundation,

Dear Selection committee,
Sun Pharma Science Scholar Fellowship,

I would like to nominate Mrs. Sai Kumari Vechalapu for the Sun Pharma Science Scholar Fellowship. She has submitted the research project exploring the iron-complex inducing intracellular ROS and triggering intrinsic apoptosis pathway for preventing cancer cells growth which is published in iScience, 2024.

Yes, we have obtained ethical clearance from IBSC (Institute Bio Safety Community) to conduct the experiments.

Sincerely,

Dharmaraja Allimuthu, Assistant Professor of Chemistry
