I, Dr. Mrinal Patnaik, hereby voluntarily declare my commitment to work in public or privately funded academic and research-based organizations for a minimum period of two years following the completion of my studies if awarded by the Sun Pharma Science Foundation.

This commitment is a testament to my dedication to contributing to the advancement of knowledge, research, and capacity building in the field of Forensic Medicine and Toxicology.

I recognize the significance of academic and research institutions in shaping the landscape of scientific inquiry and innovation. By pledging to dedicate my skills, expertise, and passion to these organizations, I aim to actively participate in the dissemination of knowledge, mentorship of aspiring professionals, and collaborative efforts to push the boundaries of our collective understanding.

I understand that this commitment is essential for nurturing the growth of our academic and research communities and for making meaningful contributions that extend beyond my individual pursuits. I am fully aware of the responsibility and accountability that comes with this declaration and am prepared to honour it in good faith.

I further acknowledge that this commitment is in line with the values of academic integrity, ethical research, and the pursuit of excellence that are inherent to my chosen field. I look forward to the opportunities that lie ahead and am eager to collaborate with institutions that share in these principles.

Dr. Mrinal Patnaik

Junior Resident (Academic)

Department of Forensic Medicine and Toxicology,

AIIMS Bhopal
