Members of the Selection Committee,
Sun Pharma Science Scholar Fellowship,

The project submitted for consideration by the Sun Pharma Science Scholar Fellowship does not involve the use of any human subjects, volunteer participation, or patient-derived samples. Further, all work conducted as part of this study involves the use of BSL-I/BSL-II grade bacterial strains, for which our laboratory has obtained all necessary permissions from the Institutional Biosafety Committee. All necessary regulatory and ethical clearances as applicable have been obtained for this work.

Yours sincerely,

Sreepadmanabh M
