

Justification for Sponsoring the Nomination

Sun Pharma Science Foundation

8C, 8th Floor, Hansalaya Building,

15-Barakhamba Road,

Connaught Place, New Delhi -110001, INDIA

To the Sun Pharma Science Foundation,

I, Prof. D. Sriram, am honored to nominate Ms. Sonal Fande for the Science Scholar Awards by the Sun Pharma Science Foundation. As her supervisor, I have worked closely with Ms. Sonal Fande in the Department of Pharmacy at BITS-Pilani Hyderabad Campus, Hyderabad.

Ms. Sonal Fande is an exceptional scholar who has consistently demonstrated remarkable academic and research expertise. Her dedication to advancing biomedical device development is evident through her innovative work on point-of-care devices for detecting different pathogens. Her research holds significant potential for societal impact, particularly in the domain of public health.

Throughout her tenure at BITS-Pilani, Ms. Sonal has showcased perfect leadership and commitment to scientific study. Her active participation in start-up programs and poster presentations has significantly contributed to the scientific community, earning her recognition and respect among her peers and mentors.

Her dedication extends beyond her academic and research work. Her work ethic, innovative mindset, and unwavering pursuit of excellence make her a standout candidate for the Science Scholar Awards.

Considering the above, I sincerely support and recommend Ms. Sonal Fande's nomination for this prestigious award. I am confident that this recognition will honor her past achievements and serve her future contributions to the field of biomedical science.

Sincerely,

Prof. D. Sriram

Senior Professor, Department of Pharmacy,

BITS-Pilani Hyderabad Campus, Hyderabad
