LETTER OF RECOMMENDATION

To

The Research Director Sun Pharma

Respected Sir,

I take an impression on one of my faculty members. (Dr.) P. Sudhir Kumar, a Professor in Pharmaceutical chemistry regarding their effort in innovative research activities, is an excellent researcher in drug design and development. He has shown a consistently strong desire to learn medicinal chemistry and is very strong. He has published more than Eighty-five papers in reputed journals, including the International Journal of Biological Macromolecules, the European Journal of Medicinal Chemistry, the Journal Molecular Structure, Biomedicine and Pharmacotherapy, Journal of cellular biochemistry, Scientific Reports, and Drug Development Research, Archives der Pharmazie. He is a DAC committee member of several Universities. He is also reviewer in various high impact SCI journals viz. Chemistry select, Molecules, Biomass and conservation energy, Journal of Taibah University for Sciences, Scientific Reports so on. Under his supervision, the six Phd research scholars were awarded, and all are well placed Recently, he has been worked as Principal Investigator for one of the major grant ICMR Extramural Adhoc projects worth of approx.50 lakhs and he also completed one research DHR-ICMR project grant as mentor. He is supervising two ICMR-SRF candidates with cancer biology and biology of infection projects, respectively. For his supervision, the student Shashank Sekar Swain received the Sun Pharma Science Foundation's Science Scholar Awardee for the year-2017 in the field of Pharmaceutical Sciences. Also, his team got the prestigious award GYTI-19 from the Honorable Vice-President of India at Rashtrapati Bhavan for his contribution to the new drug development of leprosy. I strongly recommend him for the Sun Pharma Science Foundation Research Awards in Medicinal and Pharmaceutical Sciences.

Prof. (Dr.) S. C. Si
