

Declaration of Awards Received

I do hereby state that I have received the following three awards:

Scopus Young Scientist Award -2008

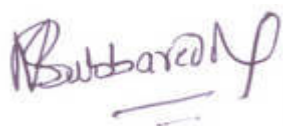

I received the Scopus Young Scientist Award for my contributions based on citations received in basic research.

AVRA Young Scientists Award -2009

I received the AVRA Young Scientist Award for my outstanding contributions in the area of development of novel methodologies.

NASI-Reliance Platinum Jubilee Award -2014

I received the NASI-Reliance Platinum Jubilee Award for my contributions for Colgate Palmolive Company. I, therefore, state that the present work, being submitted for Sun Research Award, does not include any of the previous contributions for which the above awards were received.
