To Whom It May Concern:

The **Society of Hematologic Oncology (SOHO)** was established in 2012 with aims to promote worldwide research, education, prevention, clinical studies, and optimal patient care in all aspects of hematologic malignancies. Since that time, SOHO has grown to more than 7,000 members. Organized by its founders and world-class committees, SOHO is the only society specific to this field.

The SOHO annual meeting program will focus on cutting-edge advances and practical clinical applications, with special emphasis on novel biological and therapeutic approaches, for patients with hematologic malignancies. In addition, the speakers are a multidisciplinary group of internationally recognized experts that represent the spectrum of these diseases.

Over 3,000 physicians and scientists from around the world attend the **SOHO Annual Meeting** each year. SOHO meetings are embraced by leaders in the field as the foremost forum for the presentation of both clinical and scientific research related specifically to hematologic malignancies and the place to build relationships with prominent physicians from around the world. Complete information concerning the Society of Hematologic Oncology can be found at www.sohoonline.org and www.soho.click/2024.

Dr. Mithun Abraham Prakash is planning to attend the upcoming **Society of Hematologic Oncology Annual Meeting**, which will be held at the George R. Brown Convention Center, Houston, Texas, USA, during the week of **September 4-7, 2024**. SOHO will be hosting Dr. Mithun Abraham Prakash through the Young Investigator Program (YIP) in support of his participation in submitting a clinical abstract. The SOHO YIP scholarship covers Economy class airfare, ground transfer, hotel accommodations, meals (provided during the meeting), and Meeting Registration. The invitation is contingent upon committee approval.

As Chairpersons of **SOHO 2024 Annual Meeting**, we are enthusiastic about Dr. Mithun Abraham Prakash's participation at the meeting. It is our understanding that Dr. Mithun Abraham Prakash will need a Visa to enable him to enter the United States for this purpose and any assistance you can provide to facilitate this process will be greatly appreciated.

If we can be of any further help, please do not hesitate to contact us via Melinda White at mwhite@jwccllc.org, 1 (281) 364-7387 x 216, or fax 1 (832) 777-7052.

Sincerely yours,

Guillermo Garcia-Manero, MD
