

# Justification Letter for Sponsoring Nomination

To whom may it concern,

Sun Pharma Research Awards Committee  
Sun Pharmaceutical Industries Ltd.

Dear Members of the Awards Committee,

I am writing to nominate Dr. Hriday Das for the prestigious Sun Pharma Research Award. Dr. Das has been an outstanding researcher under my supervision in the Department of General Surgery at Agartala Government Medical College and G.B.P Hospital.

Dr. Das has conducted extensive research on the "Demographic and Clinicopathological Profile of Gallbladder Cancer." His work has significantly contributed to understanding this aggressive malignancy, particularly in the northeastern region of India where gallbladder cancer incidence is notably high. The study provides valuable insights into the demographic patterns and clinicopathological features associated with this disease, which is crucial for developing targeted interventions and improving patient outcomes.

Dr. Das has demonstrated exceptional dedication, analytical skills, and scientific rigor throughout his research. His ability to gather and analyze data meticulously, coupled with his critical thinking and problem-solving abilities, has led to findings that are both impactful and highly relevant to the field of oncology. His work has been presented at various national conferences and has received commendable feedback from peers and experts.

In addition to his research prowess, Dr. Das has shown a strong commitment to academic excellence and professional growth. He actively participates in departmental activities, contributes to academic discussions, and collaborates effectively with colleagues. His passion for research and his drive to make a difference in the medical field make him a deserving candidate for this award.

Sponsoring Dr. Hriday Das's nomination for the Sun Pharma Research Award will not only recognize his remarkable achievements but also encourage him to continue his valuable contributions to medical science. His research has the potential to influence clinical practices and policies related to gallbladder cancer, ultimately benefiting patients and healthcare systems.

Thank you for considering Dr. Hriday Das for this honor. Please feel free to contact me if you require any further information or documentation in support of this nomination.

Yours sincerely,

Dr. Diptendu Choudhury
