### **CAREER OBJECTIVES:**

I am a self-confident, dedicated, disciplined person with dreams for good opportunities to play a challenging as well as creative role in the development, and planning in the field of Neurosurgery with commitment to serve for the organization with a friendly ecosystem with overall experience of 12 years in Neurosurgery.

### **JOB RESPONSIBILITIES & FUTURE PLANNING:**

1. Till date, I had performed all sorts of emergency & elective neurosurgical procedures (trauma to Brain & Spine, Brain & Spinal Cord tumors) for adults as well as children with better functional outcome.
2. I have keen interest in the field of Neuro-trauma (Brain & Spine), High grade Glioma, Meningioma, all sorts of spinal procedures, and Neuro-endoscopy.
3. I have future planning for research in Pediatric Neurosurgery, Neuro-endoscopic approaches for Brain & Spine, and vascular procedures.
4. I have a dream to establish a centre of excellence in the field of Paediatric Neurosurgery & Epilepsy Surgery in Odisha.
