

## **BIODATA**

- Name – Dr Ritasman Baisya
- Date of birth -28.11.1991
- Academic qualification – MD, General Medicine, DM, Clinical Immunology & Rheumatology
- Mail Id - [ritasman91@gmail.com](mailto:ritasman91@gmail.com)
- Phone no- 9874201183
- **EDUCATION:**

**1997-2009** - Rahara Ramakrishna Mission Boys Home High School (10 and 12th standard), West Bengal, India

**2009-2015** - MBBS, Medical College Kolkata, West Bengal, India

**2015-2018** - MD, General Medicine, Medical College Kolkata , West Bengal, India

**2018-2021** - DM, Clinical Immunology & Rheumatology, Nizam's Institute of Medical Sciences (NIMS) , Hyderabad, India

- **Work experience (Affiliation) -**

**2021 Aug -2023 Sep** - Assistant Professor, Clinical Immunology & Rheumatology, Nizam's Institute of Medical Sciences, Hyderabad.

**From December 2023** - Assistant Professor and Faculty in charge, Clinical Immunology & Rheumatology, All India Institute of Medical Sciences, Kalyani , West Bengal

### **OTHER ACADEMIC QUALIFICATION**

1. Passed MRCP UK Part 1 on 2017
2. Passed MRCP UK Part 2 on 2023
3. Sital Ghosh Award in Medicine MD exam
4. University 3<sup>rd</sup> in final MD exam
5. Gold medal in Pathology and Pharmacology
6. Class Assistant in Biochemistry, Microbiology
7. HONOURS – Physiology, Biochemistry, Microbiology , Pharmacology , Preventive and social medicine

### **NATIONAL & INTERNATIONAL ACADEMIC AWARDS**

1. ICMR-STC scholarship ( study on vitiligo and bipolar disorder )
2. Prajwalika Scholarship Program ( study on cluster analysis in SLE-PAH)
3. As poster presentation - BSR 2023 - Ritasman Baisya, Keerthi Vardhan Yerram, GSR Murthy, Phani K Devarasetti, Liza Rajasekhar . Grey matter myelitis is a severe phenotype of myelitis in systemic lupus erythematosus. experience from a tertiary care hospital in south India over a decade.
4. As abstract publication - **EULAR 2022** - R. Baisya, M. G S R, P. K. Devarasetti, A. Aggarwal, V. Shobha, L. Rajasekhar on behalf of INSPIRE. Pulmonary hypertension (PAH) in systemic lupus erythematosus is not defined by auto-antibody and clinical variables.
5. As poster presentation - Lupus 2024 - Recurrence and mortality in Lupus enteritis (LE) are not determined by disease severity - a case-control study from South India
6. As abstract publication – EULAR 2024. Long-term outcome in SLE-PAH patients based on autoantibody clustering from a single centre in India.

### **Faculty speaker ( National & International ) -**

1. IRACON 2022 ( Indore ) as faculty speaker on HCQs in the COVID era
2. IRACON 2023 (Hyderabad) as faculty speaker on renoprotection in lupus nephritis/AAV in a scientific refresher course
3. WB-IRA 2023 annual conference as faculty speaker on scleroderma -PAH updates
4. RHEUMALEARN 2023 as faculty speaker on juvenile idiopathic arthritis
5. Autoantibody Clustering in Systemic Lupus Erythematosus-Associated Pulmonary Arterial Hypertension - World Congress on Heart Congress and Surgery, October 21, 2021
6. Crystals in Rheumatic diseases: Case-based discussion - 2nd Annual Webinar on Orthopedics, Rheumatology and Musculoskeletal Disorders, November 24-25, 2022 , UAE
