

## **Voluntary Declaration**

### **To whom it may concern**

I, Souradeep Dey, hereby voluntarily declare my commitment to work in public or privately funded academic or research-based organizations for a minimum period of two years upon the successful completion of my doctoral studies. I also understand the importance of contributing to the advancement of knowledge and innovation within these sectors and am dedicated to applying my skills and expertise to further the goals of such research institutions.

This declaration is made in good faith and with the full understanding of the responsibilities and expectations associated with this commitment.
