Subject: Justification for Sponsoring the Nomination of Ms. Sonal Pande for the Research Scholar Award

Dear Members of the SunPharma Science Foundation

I am writing to wholeheartedly nominate Ms. Sonal Pande for the prestigious Research Scholar Award in recognition of her outstanding research project on the "Neuroprotective Effect of Curcumin in Combination with Diclofenac and Probiotics as a Bio-enhancer against Alzheimer's Disease." As the research guide of Ms. Sonal pande, I am delighted to provide a strong justification for her nomination.

Ms. Sonal Pande embarked on this research project with great enthusiasm and a commitment to contribute to the field of neuroscience, particularly in the context of Alzheimer's disease. The objectives of her research were to investigate the potential synergistic effects of curcumin, diclofenac, and probiotics as a novel therapeutic approach to mitigate neurodegeneration in Alzheimer's disease. The significance of this research stems from the pressing need for effective treatments for this devastating neurodegenerative disorder that affects millions worldwide. From this work we published three article in international peer reviewed journal.

Throughout the duration of the research project, Ms. Sonal Pande demonstrated exemplary research skills, creativity, and a strong scientific acumen. Her dedication and meticulous approach to experimental design, data collection, and analysis were commendable. Additionally, she conducted an extensive review of existing literature, which helped solidify the scientific rationale and ensured that the project was built upon a strong foundation.

Furthermore, as her research guide, I can attest to her excellent communication skills and ability to collaborate effectively with fellow researchers and laboratory personnel. She demonstrated strong leadership qualities while working with the research team, fostering a positive and productive research environment.

In conclusion, I wholeheartedly support the nomination of Ms. Sonal Pande for the Research Scholar Award. Her dedication, passion for research, and exceptional academic achievements make her an exceptional candidate. I am confident that her work will have a positive and lasting impact on the field of neuroscience and Alzheimer's disease research.

Thank you for considering Ms. Sonal Pande's nomination for this prestigious award.

Sincerely,

*Chirag* 01/08/2023
