

RAVENSHAW UNIVERSITY
CUTTACK

Bidyut Kumar Das

Citation for the Degree, Doctor of Science, *Honoris Causa*

*B*orn on 30 June 1957, you have achieved fame as a people's doctor and present a shining example of what it means to be a real hero. You obtained an MBBS degree in 1979 and earned the degree of MD in Internal Medicine in 1984, graduating as the top-performing student in SCB Medical College. In recognition of your exceptional talent, you were awarded the prestigious Dr P N Berry fellowship in 1995 to receive specialised training in Rheumatology at Sanjay Gandhi Post Graduate Institute of Medical Sciences, Lucknow. With a PhD in Immunology in 2004, you cemented your status as a formidable expert in the field.

Your impact on the healthcare landscape of Odisha has been immense. You were the driving force behind the establishment of the Department of Rheumatology at SCB Medical College and Hospital, Cuttack. Your innovative use of Telemedicine has revolutionized the way Rheumatology care is delivered in Odisha.

You have made enormous strides in the field of collaborative medical research. Your research on the Immunology of Malaria, conducted in collaboration with TIFR, Mumbai, and ICMR from 2005 to 2008; your work with the Pasteur Institute, France (IFCIPAR), and TIFR on Immunogenetics, Malaria, from 2008 to 2011; your collaboration with the National Institute of Genomics, Kalyani, and DST on sepsis, from 2013 to 2016; and the research you conducted at Institute of Life Sciences, Bhubaneswar, on Immunology of sepsis, from 2015 to 2018 have contributed significantly to advancing the frontiers of medical knowledge. You were co-Principal Investigator of a DBT-funded, multi-institutional research initiative on systemic lupus erythematosus (SLE) from 2018 to 2022. At present, you are working as the Principal Investigator of an ICMR-funded research project on Vitamin D in SLE.

You have been honoured with numerous prestigious awards for your outstanding contributions to the field of medicine. Notable among these are, the Dr. M. J. Shah Award for tropical medicine conferred upon you by the Association of Physicians of India in 1995, and Best Scientist in Clinical Science awarded by the National Academy of Vector Borne Diseases in 2011. You received the coveted Samanta Chandrasekhar Award in 2018. Your selfless service as a physician has endeared you to the people of Odisha, who have warmly felicitated you on several occasions. Here, mention may be made of Odisha Icon Award in 2011, conferred upon you by The Times of India Group, and the Odisha Citizen's Award, presented to you by OTV, Odisha.

Dr. Bidyut Kumar Das, in humble recognition of your unwavering commitment to ameliorating the suffering of the afflicted, Ravenshaw University is honoured to confer upon you the degree of Doctor of Science, *honoris causa*.

PROF. R.N. RATH ORATION

Dr. Bidyut Kumar Das

A brilliant scholar since school days, Dr. Bidyut Kumar Das completed both his graduation & postgraduation in Medicine from SCB Medical College, Cuttack with an exemplary and extraordinary career. He was the 'Best Graduate' of his batch and was awarded University Gold Medal. Later, he did his Ph.D. in Medicine, in the field of Immunology, at RMRC, ICMR, Bhubaneswar.

He is currently heading the Unit of Clinical Immunology and Rheumatology under the Department of Medicine since 2011. Besides, he is an adjunct faculty in the Institute of Life Sciences, an autonomous institute of the Department of Biotechnology, Govt. of India since 2014.

In his long career of three decades as a medical teacher he has served in various ranks till he reached the level of Professor in 2008. He is a renowned teacher, a proficient clinician and an innovative researcher. He is a friend, philosopher and guide to hundreds of students who have trained under him.

He was instrumental in starting the Unit of Clinical Immunology and Rheumatology at SCB Medical College, Cuttack and his landmark contribution include conducting and promoting research in the field of Immunology and Rheumatology. His contribution has been acclaimed in national and international forum.

He is an academician par excellence has published and presented scientific papers at both National and International levels. He is the recipient of large number of National, International Awards, Orations & Fellowship. His contribution to humanity and human values has been recognised by various social and cultural organisations of Odisha, for which he has been accorded numerous awards and felicitations.

A person of great eminence, his contribution to Medical Education and Health Care in the state will be recorded for posterity.

Sir, you are a constellation of medical virtues and we are fortunate that we find ourselves under the arch of your expertise in Rheumatology and Immunology. We at IRA Odisha, greatly appreciate your contribution in the field of medical sciences in general and Immunology / Rheumatology in particular and pray for your long, healthy and joyous life.
