Dear Mrs. Desy TM,

On behalf of IBRO, it is my pleasure to inform you of your *IBRO Travel Grant* award which comprises the amount of **1800 EUR**. These funds are to be used towards your participation in **INPC 2021** taking place in **Singapore**, between **September 29-30, 2021**. This is an official acceptance letter to be used to obtain any visas or complete other necessary arrangements.

You are responsible for your registration and proper submission of your scientific abstract. Reimbursements will be sent to you after you have attended the meeting or conference for which you received an IBRO travel grant and your attendance has been confirmed.

After you have attended the meeting or conference, please send a copy of your certificate of attendance to the IBRO Secretariat (programs@ibro.org). Payment of your grant will be made by Global Pay, a Western Union Business Solution, which is a secure web-based payment service that will provide you with a number of benefits, including immediate payment notification, online payment tracking and payment remittance information.

Once we have received a copy of your certificate of attendance, you will receive an email from “*PayeeManager Admin @ westernunion.com / Subject: Western Union GlobalPay Payee Manager – Campaign Enrollment*” inviting you to enroll in the Payee Manager system. (Please note this link is an image and will not display if you have disabled either images or html in your email application). Once the information you have registered has been verified, we will be able to make payments into your bank account.

Please review the *Payment Formatting Guidelines*, available on the IBRO website. Failure to provide all required information will result in significant delays in the processing of your payment.
