

Resume

Name : Karthik Shunmugavelu
Address : 1, Appu Street
Chamundeeswari Nagar
Chromepet
Chennai – 600044
Tamilnadu, India
Email : mmdcdentalomfp@gmail.com
Contact no. : 0091-9789885622 / 9840023697

PROFESSIONAL QUALIFICATIONS

- Faculty Affiliate - Royal College of Surgeons Edinburgh 2023
- Faculty Affiliate – Royal College of Surgeons Ireland 2023
- Diploma of Membership of the Faculty of Dental Surgery of the Royal College of Physicians and Surgeons of Glasgow – 2022
- Diploma of Membership of the Faculty of Dental Surgery of the Royal College of Surgeons of England – February 2021
- Master of Dental Surgery (Oral and Maxillofacial Pathology) – Ragas Dental College and Hospital, The Tamilnadu, Dr.M.G.R Medical University, Chennai, India (May 2020)
- Master of Science in Experimental Oral Pathology – Bart's and London Queen Mary's School of Medicine and Dentistry, University of London, UK (December 2007).[Registered with the Tamilnadu Dental Council, India].
- Bachelor of Dental Surgery – Vinayaka Mission's Sankaracharyar Dental College, The Tamilnadu, Dr.M.G.R Medical University, India (June 2004).

AWARDS:

Romanian Journal Of Stomatology National Award Science and Research – November 2022
Prof.Dr,P.K.Ramalingam award VMSDC alumni meet – July 2022

CHAIR:

30th IAOMP Conference – PG paper - 2023
OOO Symposium VMSDC Salem – PG Paper – 2022
IAOMP PG Virtual Convention – PG Epaper – 2021

SCHOLARSHIPS:

KROYNAS scholarship 2022
TATA trust medical and healthcare scholarship – 2019 and 2020

FELLOWSHIPS:

International Board of Medicine and Surgery, USA.

MEMBERSHIP OF PROFESSIONAL BODIES:

- Australian Society of Implant Dentistry
- Independent Medical Practitioner's Association
- American Dental Association.
- Indian Dental Association.

SCIENTIFIC COMMITTEE MEMBERSHIP:

- Hellenic Archives of Oral and Maxillofacial Surgery (HAOMS Journal)

EDITORIAL BOARD MEMBER:

- Open Access Journal of Dental and Oral Surgery (OAJDOS)
- AS Otolaryngology
- BMC Oral Health
- International Journal of Pharmaceutical Research
- SM Journal of Clinical and Medical Imaging.
- International Journal of Medical & Clinical Imaging

REVIEWER:

- Uttar Pradesh journal of Zoology
- International Journal of Pharmaceutical Research
- Journal of Pharmaceutical Research International
- Forensic Science & Addiction Research
- Special Care in Dentistry
- Annals Academy of Medicine Singapore
- Medical Journal of The Islamic Republic of Iran
- Ghana Medical Journal

MDS DISSERTATION: Detection and quantification of Epstein Barr virus in saliva and subgingival plaque samples of paediatric patients with Acute Lymphoblastic Leukaemia using Real Time Polymerase Chain Reaction

MSC DISSERTATION: A Comparative Study of the Effects of Anterior Disc Displacement With Reduction (ADDR) and Anterior Disc Displacement Without Reduction (ADDWR) on the Components of the Temporo-mandibular Joint (TMJ) using Magnetic Resonance Imaging

PATENT:

1. DEEP LEARNING-BASED ORAL LESION DETECTION AND CLASSIFICATION FOR EARLY ORAL CANCER DETECTION

BOOKS:

1. Futuristic Trends in Medical Sciences e-ISBN: 978-93-6252-091-3 IIP Series, Volume 3, Book 12, Part 1, Chapter 6 FUTURISTIC TRENDS IN DENTISTRY. **Karthik Shunmugavelu** and Evangeline Cynthia
2. A short view of Behçet's disease by **Karthik Shunmugavelu** and Evangeline Cynthia Dhinakaran, Submitted: December 20th, 2021 Reviewed: February 14th, 2022 Published: March 20th, 2022, DOI: 10.5772/intechopen.103693- a chapter in the book title, "Behçet's Disease - Recent Advances and New Perspectives" edited by Prof. Sevgi Akarsu

- Prevalence of oral mucosal lesions in paediatric population - 26th IAOMP national conference – Bhubhaneshwar, Orissa, November 2017
- A Comparative Study of the Effects of Anterior Disc Displacement With Reduction (ADDR) and Anterior Disc Displacement Without Reduction (ADDWR) on the Components of the Temporomandibular Joint (TMJ) using Magnetic Resonance Imaging on 16th International Conference for Dento – Maxillofacial Radiology, June 26th – 30th 2007 in China.

TRAINING PROGRAMME:

- ICMR NPTEL BCBP 2023
- NICPR-ECHO's Advanced Cancer Screening Training Program for Dentists (ACSTP-O3)

held from Sep 17, 2020 through Dec 24, 2020

- CDE programme – Meenakshi Ammal Dental College, Chennai, November 2018
- XXVII National IAOMP conference, Amritsar, November 2018
- SLIDE SEMINAR – SRMC, October 2018.
- MICRON 2018 – APDCH, October 2018.
- 17thIAOMP PG convention – SRMC, July 2018
- Postgraduate workshop – Oral and Maxillofacial Pathology – Feb 2018
- CANCERCON – Feb 2018
- 26th IAOMP national conference – Bhubhaneshwar, Orissa, November 2017
- IXth Interactive Slide Seminar – Sri Ramachandra Dental College – 10/11/17
- MEDALL CME Dermatopathology, Chennai.
- PATHSCOPE 2017 – APDCH, Melmaruvathur.
- 8th Asian Society of Oral and Maxillofacial Pathology Conference – Vijayawada-August 2017
- Workshop on Comprehensive dental implant training – SMILE USA – July 2016.
- Workshop on periodontics for general practitioners – July 2015.
- Workshop on Rotary Endodontics – June 2015.
- Workshop on Basics of Oral Implantology – April 2015.
- Workshop on Oral Cancer – March 2015.
- ClearPath Orthodontic workshop-09/03/14-Chennai.
- Certificate of Completion for the Clinical Research Training program (web-based) offered by the National Institute of Health (NIH) Office of Clinical Research Training and Medical Education, Bethesda, Maryland, United States of America in October 2007.

DISTINCTIONS:

I was awarded 'distinction' for my MSc research report titled 'A Comparative Study of the Effects of Anterior Disc Displacement With Reduction (ADDR) and Anterior Disc Displacement Without Reduction (ADDWR) on the Components of the Temporo-mandibular Joint (TMJ) using Magnetic Resonance Imaging'.

PROFESSIONAL EXPERIENCE:

- 10/05/2021 – till date – PSP medical college hospital and research institute
- Visiting consultation – Santiniketan hospital, Kasthuri multispeciality hospital, JIP multispeciality hospital, Shaditya multispeciality hospital, Hygeia multispeciality hospital, Unittas multispeciality hospital, ARM multispeciality hospital
- 02/05/2019 - till date - Visiting Consultant Dental Surgeon - Rainbow Children's Hospital
- 07/03/16 – till date – Consultant Dental Surgeon – Kanchi Kamakoti Childs Trust Hospital, Nungambakkam, Chennai-600034.
- 03/03/14 – 04/03/16 – Consultant Dental Surgeon – Parvathy Ortho Hospital, Chrompet, Chennai-600044.
- 20/10/08 – 28/02/14 – Consultant Dental Surgeon – C.S.I Rainy Multispeciality Hospital, No: 45, GA Road, Old Washermenpet, Chennai – 600021, Tamilnadu, India.
- 20/09/05 – 22/09/06 – Associate dentist – A.M Dental Foundation, No:37, Flat-4D, Mahalakshmi Street, T.Nagar, Chennai – 600017, Tamilnadu, India.
- 02/08/04 – 02/08/05 – Associate dentist – Dr.B.Sekar's Dental Clinic, Easwari Complex, Kannangurichi Main Road, Hasthampatty, Salem – 636007, Tamilnadu, India.
- 15/07/04 – 05/09/05 - Dental House Officer – Vinayaka Mission's Sankaracharya Dental College, Ariyanoor, Salem – 636308, Tamilnadu, India.

COMMUNITY DENTAL HEALTH AWARENESS PROGRAMS:

- Lions club and Bala Saravana Matriculation School – 10/09/18, Chennai
- Little Millennium (Valasaravakkam) camp – 23/07/17
- Kendraya Vidyalaya (Minambakkam) camp, Shaditya Hospital – 18/04/17.
- Saraswathi Kendra dental camp, KKCTH – 21/10/16.

- Republic day mega health camp, Parvathy Hospital – 26/01/15.
- National Oral Hygiene Day camp at Parvathy Ortho Hospital, 01/08/14 – 08/08/14.
- Abbott sponsored dental camp at Vijay Multispeciality Dental Clinic – 15/12/13.
- Colgate sponsored dental camp at Appasamy Hospital, Arumbakkam-22/06/13.
- Vijay multispeciality dental clinic and Dena Bank (Tondiarpet) – Oral B sponsored dental health awareness camp-18/05/13.
- Mercy medical and dental centre – Winmedicare sponsored dental health awareness camp-12/05/13.
- Vijay multispeciality dental clinic-Ranbaxy sponsored dental health awareness camp-24/03/13.
- Mercy medical and dental centre-Cipla sponsored dental health awareness camp-03/02/13.
- Vijay multispeciality dental clinic-GSK sponsored dental health awareness camp-16/12/12.
- Mercy medical and dental centre-Warren sponsored dental health awareness camp-18/11/12.
- LEF church multispeciality camp (22/09/12).
- 124th Founder's Day Multispeciality Camp at C.S.I. Rainy Multispeciality Hospital on 14/04/12.
- Dental Health Awareness Camp for Nursing students at C.S.I. Rainy Multispeciality Hospital on April 2012.
- KNH dental camps in collaboration with German Dental Surgeons (March 2012).
- Chennai Corporation post winter session camp at Chennai Middle School, Royapuram, Chennai on 24/02/12.
- Dental camp along with Dr. Agarwal's Eye Hospital at Cynthia Nursing Home, Kolathur, Chennai on 11/02/12.
- Dental Health Awareness Camp for nursing students – March 2011.
- KNH dental camps in collaboration with German Dental Surgeons (Jan-Feb 2011).
- C.S.I. Ewerts Higher Secondary School – 20 and 21/10/10 (Chennai).
- IDA – COLGATE Oral Health Month camp (Sep 2010 – Oct 2010) conducted at C.S.I. Rainy Multispeciality Hospital.
- Dental Health Awareness Camp for Nursing students at C.S.I. Rainy Multispeciality Hospital on 04, 05 and 06/02/09.
- Diabetes Awareness Camp in collaboration with Corporation of Chennai at Corporation School on 30/01/10.
- KNH dental health awareness camps in collaboration with Tracy (dental hygienist from USA) and Carol (dental hygienist from UK) between 11/01/10 – 15/01/10.
- Government Welfare Middle School, Vallur – sponsored by NTECL (NTPC Tamilnadu Energy Company Limited) on 26/11/09.
- C.S.I. Ewerts Higher Secondary School – 04/11/09 (Chennai).
- KNH dental health awareness camps in collaboration with Dr. Traudl Mayer (Dentist from Germany) – 14/09/09 to 25/09/09.
- C.S.I. Anderson Day Care Girls Higher Secondary School (Chennai) – 28/08/09 & 09/09/09.
- C.S.I. Anderson Girls Higher Secondary School (Chennai) – 07/08/09.
- Founder's Day Camp at C.S.I. Rainy Multispeciality Hospital – 14/04/09.
- Chennai Petroleum Corporation Limited sponsored camp at JeevaJothi Illam (Home for the Destitute) – 27/03/09.
- Chennai Petroleum Corporation Limited sponsored camp at Adi Dravida Welfare School – 25/03/09.

The following were in collaboration with Dr. Ralph Kaufmann, dental surgeon from Germany,

- C.S.I. Puthur Special School
- C.S.I. Corley School Hostel
- C.S.I. Sholavaram day care center
- C.S.I. Kanchipuram hospital
- C.S.I. Chengalpet Girls Hostel
- C.S.I. Tiruvallur Goudie Boys Hostel
- C.S.I. Bishop Corrie Higher Secondary School – 28 & 30/01/09.

- C.S.I Rajagopal Higher Secondary School – 08 & 10/12/08.
- NorthWick Girls Higher Secondary School – 18 & 19/11/ 08
- Central Revenue Quarters, India _ April 06.
- Ramco systems, India _ March 06.
- TNPL, India _ Feb 06.
- Little Heart School, India _ Jan 06.
- Sri Ramakrishna Mission School, India _ Dec 05.
- BSNL Telecom Quarters, India _ Nov 05.
- Rajaji Teacher Training Institute – India, June 05.
- Government Higher Secondary School – India, June 05.
- Castrol Oil Company Ltd – India, April 05.

CLINICAL SKILLS:

- Oral and Maxillofacial Surgery – extraction, surgical removal of impacted tooth , alveoloplasty, other minor oral surgeries, assisted ORIF (open reduction and internal fixation of fracture of zygoma and maxilla under KKT (Kalaighnar Kaapeetu Thittam) , closed reduction with IMF (right mandibular angle fracture) and ORIF with IMF (right parasymphysal and left mandibular angle fracture), arch bar fixation.
- Prosthodontics – complete dentures, removable partial dentures and fixed partial dentures.
- Conservative dentistry and endodontics – glass ionomer restorations, light cure composite restorations, post and core restorations, root canal treatment for anterior and posterior tooth, surgical endodontics and intermediate restorations.
- Periodontics - Oral prophylaxis and minor surgeries.
- Paedodontics - General dental treatment procedures pertaining to the paediatric population, space maintainer.
- Oral medicine - Detailed assessment of the patients from different categories such as in-patient, out-patient, medically compromised, physically and mentally challenged, ante-natal, trauma, paediatric and geriatric, etc.
- Oral and maxillofacial radiology - Performing radiological procedures such as IOPA (intra oral periapical x-ray) and bitewing x-rays, interpretation of radiographs such as IOPA (intra oralperiapical x-ray), bitewing x-rays, orthopantomographs (OPG), occlusal views, paranasal sinuses views, lateral oblique views, lateral cephalic and skull views, digital imaging for the teeth and surrounding structures, magnetic resonance imaging (MRI) especially for temporo-mandibular joints, computed tomography (CT) for maxilla and mandible, cross section CT for surgical removal of impacted tooth if in close proximity to the inferior alveolar nerve.
- Oral and Maxillofacial Pathology – Biopsy.
- Oral and Maxillofacial Prosthesis – Facial moulage

RESEARCH SKILLS:

- 1) Data co-ordination.
- 2) Data acquisition.
- 3) Data entry.
- 4) Study design and methods.
- 5) Planning, preparation and performance.
- 6) Data management
- 7) Literature review
- 8) Analytical and methodical approach.

PRESENTATIONS:

- Systemic Lupus Erythematosus – an Immunological View at the Bart's and London Queen Mary's School of Medicine and Dentistry, University of London, UK on October 2006.
- Computer Applications in Dentistry in the 20th TamilNadu State Dental Conference organized by the Indian Dental Association TamilNadu State Branch, India on November– December 2002.

- Rapid Maxillary Expansion (Orthodontics) in Vinayaka Mission's Sankaracharyar Dental College, India on October 2003.
- Chronology of primary and permanent teeth (Paedodontics) in Vinayaka Mission's Sankaracharyar Dental College, India on November 2003.
- Treatment of Zygomatic Fractures (Oral Surgery) in Vinayaka Mission's Sankaracharyar Dental College, India on February 2004.
- Cleidocranial dysplasia (Orthodontics), Vinayaka Mission's Sankaracharyar Dental College, India, August 2004. Cavernous sinus thrombophlebitis (Oral Medicine), Vinayaka Mission's Sankaracharyar Dental College, India, August 2004.
- Powered toothbrushes vs manual toothbrushes in preventive periodontics (Periodontics), Vinayaka Mission's Sankaracharyar Dental College, India, September 2004.
- Study of titanium endosseous implant – soft tissue interface (Periodontics), Vinayaka Mission's Sankaracharyar Dental College, India, October 2004.
- Endoesthetics – A New Concept of Endodontic Rehabilitation in 22nd Tamilnadu Indian Dental Association Conference, India on November 2004.
- Fear and assessments of fear (Paedodontics), Vinayaka Mission's Sankaracharyar Dental College, India, November 2004.
- Odontogenic Keratocyst in Maxilla – A Case Report in the National Seminar on Oral Medicine and Radiology organized by Indian Academy of Oral Medicine and Radiology, India on December 2004.
- Restoration of endodontically treated tooth (Prosthodontics), Vinayaka Mission's Sankaracharyar Dental College, India, December 2004.
- Impaction of tooth and its management (Oral Surgery) Vinayaka Mission's Sankaracharyar Dental College, India, March 2005.
- Dental caries (Oral Pathology), Vinayaka Mission's Sankaracharyar Dental College, India, March 2005.
- Diagnostic aids in endodontics (Conservative Dentistry and Endodontics) Vinayaka Mission's Sankaracharyar Dental College, India, August 2005.

CONTINUING PROFESSIONAL DEVELOPMENT (CPD):

Successful completion of the CPD sponsored by the following organisations:

- RCSI - Advances in Dental Veneers, Paediatric Dentistry Programme - Module 1 (Spring 2023), Aesthetic Dentistry in Anterior Maxilla, Aetiology and management of severe dentofacial infections, Airway issues in paediatric patient, Application of stem cell therapy in dentistry, Are xrays necessary in diagnosis of dental caries, Aspects of digital dentistry in contemporary dental practice, Aspects of head and neck anatomy in dentistry, Aspects of radiology compliance in dental practice, Back to school-webinar, Biopsy to Diagnosis, from the Clinic to the Laboratory and back, Bleeding problem in children, Common dentolegal pitfalls in practice, Caries Management in the Primary Dentition: The Biological Approach, Case Studies in Paedo Radiology, CBCT Indications in Dental Practice, Cleidocranial Dysplasia: A Rare & Challenging Surgical & Orthodontic Condition, Clinical and Laboratory Aspects of Implant Reconstruction Clinical Dilemmas: Root Treatment or Extraction and Implant Placement?, Clinical Presentation, Diagnosis and Management of Oral Ulceration, Conscious sedation for adult patient, Challenges of Implant Supported Anterior Maxillary Reconstruction, Clinical Pathological Interface: Common Odontogenic Lesions, Clinical Audit, Contemporary Management of Paediatric Dental Trauma, Concepts around Implant Placement in Children & Adolescents, Complex Implant Supported Dental & Facial Reconstruction: Surgery Aspects, Complex Implant Supported Dental & Facial Reconstruction: Prosthodontic Aspects, Contemporary Concepts of Non-Surgical Periodontal Treatment, Contemporary Aspects of Surgical Periodontal Treatment, Contemporary Aspects of Dental Radiology Practice, Considerations in Dental Trauma, Delivering Perfect Composite Restorations, Contemporary Management of Paediatric Dental Trauma, Concepts around Implant Placement in Children & Adolescents, Conventional Orthodontic Treatment Versus Alligner Treatment, Contemporary Aspects of Surgical Periodontal Treatment, Contemporary

Concepts of Non-Surgical Periodontal Treatment, Dental Implant Intervention for Syndromic & Non-Syndromic Childhood Partial Edentulism, Dental Anomalies : Restorative Treatment in Children, Diagnoses in Oral Surgery, Dental Treatment of Medically Compromised Children, Dental Treatment Aspects in Oral Cancer, Dental Prosthetic Reconstruction in the Cancer Patient, Dental Management of the Paediatric Cleft Patient, Dental Implications of Maxillary Sinus, Dental Implant Intervention for Syndromic & Non-Syndromic Childhood Partial Edentulism, Endodontic Management of the Traumatized Incisor, Ectopic Teeth, Early Orthodontic Treatment, Distraction Osteogenesis, Digital Dentistry in Practice, Diagnoses in Oral Surgery, Dental Treatment of Medically Compromised Children, Dental Treatment Aspects in Oral Cancer, Dental Prosthetic Reconstruction in the Cancer Patient, Dental Management of the Paediatric Cleft Patient, Dental Implications of Maxillary Sinus, Ethical Aspects of Dental Practice, Endodontic Treatment in the COVID Era, Endodontic Management of the Traumatized Incisor, Dental Management of the Paediatric Cleft Patient, Dental Prosthetic Reconstruction in the Cancer Patient, Dental Treatment Aspects in Oral Cancer, Dental Treatment of Medically Compromised Children, Diagnoses in Oral Surgery, Digital Dentistry in Practice, Distraction Osteogenesis, Early Orthodontic Treatment, Ectopic Teeth, Fixed or Removable Prosthesis: Decision Tree, Fergal Nally Lecture 2023: Education – A Transformational Journey, Fergal Nally Lecture 2021, Evolution of Equipment in Dental Photography, Ethical Aspects of Dental Practice, Endodontic Treatment in the COVID Era, Endodontic Management of the Traumatized Incisor , Endodontic Management of the Traumatized Incisor, Hereditary Ectodermal Dysplasia: Relevance for the Paediatric Dentist , Health Care Professional Well-Being Fluoride Therapy: Past, Present, Future in the Post COVID Era, Growth Disturbances in Children, Functional Appliance Therapy in Children, Implant Dentistry. Perfect planning = Optimal Results , Health Care Professional Well-Being in the Post COVID Era, Hereditary Ectodermal Dysplasia: Relevance for the Paediatric Dentist, How to Manage Children in Dental Practice, Implant Retained Cantilevers: A Bridge Too Far?, Implant Dentistry. Perfect planning = Optimal Results, Implant retained cantilevers, Implant supported craniofacial reconstruction, Important aspects of dental practice compliance, Infection control aspects of health and safety, Infective endocarditis, Interceptive orthodontics, Developing diagnostic skills based on case based teaching, Local anaesthesia in paediatric dentistry, The foundation of professional ethics, Management of dentoalveolar trauma, Management of hypodontia in children, Management of supernumerary and impacted teeth in children, Management of anxious dental patient. Management of open apex, Management of pulp in permanent dentition, Medical emergencies, Medicolegal pitfalls in dental practice, Minimally invasive bioactive restorations in dentistry, Minimally invasive dentistry in children, Minimally invasive paediatric dentistry, Molar endodontics, Negligence in oral surgery practice, Non surgical aesthetic procedures dental, Non surgical facial aesthetic treatments, Non surgical aesthetic treatment in dental practice, Optimal analgesia in paediatric patient, Optimal fluoride minimal caries, Oral medicine problems in paediatric patient, Orthodontic management of cleft patient, Orthodontic management of severe crowding in children, Orthodontic management of impacted canine, Orthodontic restorative interface, Orthodontic space distribution in children with hypodontia, Orthognathic surgery in child patient, Overview of grafting materials in periodontology, Overview of salivary gland disorders, Perio problems in children, Perioperative management of paediatric patients, Pitfalls of endodontics, Positive practice improvements as a result of covid 19, Post covid infection control in dental practice, Potential pitfalls in complex prosthodontic treatment,, Potential pitfalls in oral surgery, Predictable local anesthesia, Prevention and management of occupational musculoskeletal disorders, Prevention of burnout in healthcare professionals, Prevention of medicolegal problems, Primary teeth pulpotomies, Pitfalls of veneers, Prosthodontic reconstruction in cancer patient, Psychological problems in children relevant for paediatric dentist, Pulp therapy in paediatric dentistry 1&2, Radiation therapy in management

of oral cancer, Reconstruction of maxillary labial segment, Regeneration endodontics in paediatric practice, Relevant anatomy for dentist, Relevant anatomy for MFD, Relevant bleeding disorders for dentist, Removable Partial Denture, Resin bonded bridges, Restoration of absent maxillary anterior teeth, Restoration of root treated tooth, Review of science of pit and fissure sealant materials, Role of general anesthesia in paediatric dentistry, Salivary gland tumours, Sedation in paediatric patient, Serial extraction, Sleep disorders dentist perspective, Sleep disorders physician perspective, Special care for special patients, Speech and swallowing problem in cancer patients, Surgical aspects of cleft care, Surgical aspects of oral cancer care (reconstruction), Surgical aspects of oral cancer care (tumour excision), Surgical endodontics, Surgical management of head and neck cancer patient, Surgical management of impacted canine, Surgical management of TMJ ankylosis in children, Surgical treatment of craniofacial anomalies, The impacted wisdom tooth, The important attention to long term periodontal care, The maxillofacial surgeons role in patients with dentofacial deformity, The orthodontic surgical interface, The orthodontists role in patients with dentofacial deformity, The periodontal prosthodontic interface periodontist view, The periodontal prosthodontic interface prosthodontist view, Tips to support dental team in autistic society, Tissue management in implant placement, Tooth preparation design, Tooth resorption, Traumatic dental injuries in children, Treating under 6s, Treatment challenges in MIH, Treatment of absent anterior teeth, Treatment of paediatric special needs, Treatment of medically compromised paediatric patient, Ulcerative conditions of oral mucosa, Uncommon oral medicine presentation in children, Update on MRONJ, Update on posterior filling materials, Update on microbiology and treatment of periodontal disease, Update on traumatised incisors, Cone beam scanning part 1 and part 2, White patches, Occlusion, Research proposal, Worn dentition,

- Indian Dental Association (CDE) includes Prosthodontics- An Update (Kumbakonam, 02/08/09), Porcelain Laminate Veneers (Chennai - 09/08/09), Problem Solving in Endodontics (Chennai – 20/09/09), Lasers in Dentistry – 63rd IDA preconference course (Chennai – 11/02/09), 63rd IDA conference (Chennai – 14/02/09), 28th TNSDC (Kanchipuram – 27 & 28/11/10), Modern Endodontics (Chennai – 29/01/12), , Famdent – Oct 2012 Chennai ,Tamilnadu State Dental Conference,Coimbatore,Nov 2012, GSK Sensodyne guest lecture,Chennai (May 2013) and Workshop in Oral Cancer (Feb 2015).
- Academy of General Dentistry (USA) includes Introduction to Rotatory Instrumentation in Endodontics (30/01/07), Philosophies and Principles of Infection Control (09/02/07), Know the Flow: Salivary Dysfunction & Xerostomia (09/02/07), Examination Techniques for the Head & Neck (09/02/07), Orthodontic Dx & Tx Planning for the Orthodontic Team (14/02/07), Esthetic Challenges in Prosthodontics (14/02/07), Ultrasonics Techniques for the Special Needs Patient (14/02/07), Preterm Birthweight Babies and Periodontal Disease (22/02/07), Locating the Elusive Root Canal (03/03/07), Mandibular Anesthesia – Increasing the Success of the Injection Techniques (25/03/07), Preservation of Alveolar Bone and Gingival Architecture with New Instruments for Exodontia (17/06/07), Creativity in Dental Implants (28/07/07), Synchronicity in Obturation (04/08/07), Practical Oral Surgery for the General Dentist: Medical Evaluation of the Oral Surgery Patient (31/03/08), Practical Oral Surgery for the General Dentist: Surgical Extractions (06/04/08), The Bacterial Origins of Periodontal Disease & the Perio/Systemic Links (13/04/08), The Clinical and Practice Management Considerations of Laser Dentistry (27/04/08), Dental Implant Options in Atrophic Jaws (04/05/08), Stem Cells: Emerging Medical and Dental Therapies for the Dental Professional (11/05/08), Soft Tissue Techniques Using the Er,Cr:YSGG Laser System (25/05/08), TM Dysfunction (23/11/08), Tissue Management Concepts (30/11/08), Dental Management of Patients Receiving Radiation Therapy to the Head and Neck (12/12/08), Sports-Related Dental Injuries and Sports Dentistry (15/03/09), Guidelines for Infection Control in Dental Health-Care (18/03/09), Radiographic Techniques for the Pediatric Patient (19/03/09), Oral Health Care: A Whole New Language (22/03/09), Practical Panoramic Radiography (22/03/09), The

Complete Denture Prosthesis: Clinical and Laboratory Applications (24/03/09), A Novel Oscillating-Rotating Power Toothbrush with SmartGuide: Designed for Enhanced Performance and Compliance (07/04/09), Dentinal Hypersensitivity: A Review (07/04/09), Oral Cancer Genetics: From Diagnosis to Treatment (11/04/09), [Therapeutic Mouthrinsing: An Effective Component to Oral Hygiene](#) (13/04/09), Smiles for Tomorrow (16/04/09), Understanding Nicotine Addiction and Tobacco Intervention Techniques for the Dental Professional (17/04/09), [Dental Esthetics in Practice: Part 3 - Understanding Color & Shade](#) (18/04/09), Setting It Straight – Advanced Orthodontics (24/04/09), Xerostomia: A Continue Challenge for Oral Healthcare Professionals (01/05/09), [Squamous Cell Carcinoma of the Oral Tissues: A Comprehensive Review for Oral Healthcare Providers](#) (05/05/09), A Guide to Clinical Differential Diagnosis of Oral Mucosal Lesions (04/06/09), [Dental Management of the Renal Transplant Recipient](#) (22/06/09), Tuberculosis: Infection Control/Exposure Control Issues for Oral Healthcare Workers (26/06/09), The Many Faces of Oral Lichen Planus (28/06/09), Dental Management of Patients with Bleeding Disorders (04/08/09) and The Complete Denture Prosthesis: Clinical and Laboratory Applications - Baseline Data and Prognostic Indicators (04/08/09).

- British Dental Association (London) includes Cells, Signals, Actions – The Potential of Tissue Engineering in Dentistry (18/10/06), Endodontics for 21st Century: How to Ensure Success and Avoid Problems (15/11/06), Prosthetics (06/12/06), Oral Surgery In Modern Practice – Enjoying Success By Avoiding Problems (02/07), Whats New With Implants A Modern Perspective (14/03/07), Orthodontics – What To Look Out For In The Developing Child (18/04/07) and Immediate Care of the Collapsed Patient – Essential Drugs to Stock for Medical Emergencies (16/05/07),
- London Oral Biology Club Meetings held on 14/11/06 and 27/02/07.
- 20th Tamilnadu State Dental Conference organised by Indian Dental Association (Tamilnadu State Branch) in Tiruchirapalli, Tamilnadu, India on 29/11/02 – 01/12/02.
- 2nd Local Branch Conference organised by the Indian Dental Association Salem – Namakkal – Dharmapuri Branch in Salem, Tamilnadu, India on 29/12/02.
- 2nd Tamilnadu Indian Dental Association Conference in Pondicherry, India on 25 – 28/11/04.
- National Seminar on Oral Medicine and Radiology organised by Indian Academy of Oral Medicine and Radiology in Chennai, Tamilnadu, India on 05/12/04.
- William Harvey Day at Barts and the London Queen Mary's School of Medicine and Dentistry, University of London, London, UK on 17/10/06.
- Stem Cell Symposium at Barts and the London Queen Mary's School of Medicine and Dentistry, University of London, London, UK on 23/11/06.
- Core of Knowledge Course at the Department of Oral and Maxillofacial Radiology, Dental Institute, Royal London Hospital, London, UK on 19/03/07.
- British Society For Oral and Maxillofacial Pathology and British Society For Oral Medicine Annual Meeting held at London, UK on 23/05/07.
- Regional workshop for management of pharmacy in mission hospitals held at Christian Medical College, Vellore on 11/02/11.
- Workshop on microscopes and lasers, Dept. of Conservative Dentistry and Endodontics, Faculty of Dental Sciences-Sri Ramachandra University-29 & 30/07/11.
- Famdent – Oct 2012, Chennai.

COMMUNICATION SKILLS:

Excellent communication skills in English, Hindi and Tamil. IT

SKILLS:

Good working knowledge of Windows, MS-Word, MS- Outlook, MS- Access, Adobe Photoshop, MS-Powerpoint, Articulate, MS-Excel, MS – Publisher, MS – Onenote, MS – InfoPath, EndNote & Internet.

HOBBIES:

Reading, philately, quiz competitions, sports such as volley ball, cricket, football and athletic field events such as shotput, discus throw, javelin throw, kabaddi, karate and silambam.

REFEREES:

- WM Tilakaratne BDS, MS, FDSRCS, FRCPath, PhD Professor/Oral Pathology Department of Oral and Maxillofacial Clinical Sciences Faculty of Dentistry University of Malaya Malaysia Past President: International Association of Oral Pathologists - wmtlak@um.edu.my
