Justification letter

It is my pleasure to nominate Dr. Mani Bharti, Assistant Professor of Pharmacology, for the prestigious Sun Pharma Fellowship. She obtained her Master's degree in pharmacology from SN Medical College, Agra and had worked on "A Comparative Evaluation of Efficacy and Safety of 5% minoxidil and 1% finasteride in male patients of Androgenic Alopecia". Her work on an ICMR project related to covid vaccine awareness has been appreciated within the academic community. Dr. Bharti has consistently demonstrated an unwavering commitment to academic excellence, keenness to learn new research methodologies and her ability to work independently is noteworthy.

Dr. Bharti's dedication to education extends beyond the classroom; she actively mentors and guides aspiring student researchers. She is full of energy to accomplish any new assignment. The Sun Pharma Fellowship aligns perfectly with Dr. Bharti's research goals and aspirations. The fellowship's support will not only recognize her achievements but also fuel her potential for innovations. I wholeheartedly recommend Dr. Bharti for this prestigious fellowship, confident that she will make a significant contribution.
