c. Statement of research achievements, if any, on which any award has already been received by the applicant. Please also upload brief citation(s) on the research work(s) for which the applicant has already received the award(s)

I have received the following fellowships with research grants.

1. 2020 – 2025: JC Bose National Fellowship (Science and Engineering Research Board, GoI)
2. 2017 – 2020: Tata Innovation Fellowship (Dept. of Biotechnology, GoI)
3. 2012 – 2015: National Bioscience Award (Dept. of Biotechnology, GoI)

I have attached the certificate of the National Bioscience Award that carries the citation.

PRESENTS

NATIONAL BIOSCIENCE AWARD FOR CAREER DEVELOPMENT 2012

TO

DR. KAUSTUV SANYAL
JAWAHARLAL NEHRU CENTRE FOR ADVANCED SCIENTIFIC RESEARCH, BANGALORE

in recognition of his pioneering research work towards understanding the mechanism of formation of a functional centromere, rapid evolution of centromere DNA sequences and assembly of the multi-protein kinetochore complex on the centromere DNA mediated by an interdependent coordinated protein-protein interaction in a human fungal pathogen Candida albicans. His expertise includes epigenetic regulation of the centromere/kinetochore structure and function. His findings are being utilized to develop antifungal drugs.
